

# HERLONG CONSTRUCTION

My company makes repairs on home, at pre-listings as well as Inspection report repairs.

Simply e-mail me the inspection report and the repair request agreement, if you have one. I will estimate the items and **all work can be paid on the HUD.**

I am licensed and insured, I am also a realtor with a MLS key, making it possible for me to do the estimate and repairs without you having to be there at the start of the job. Call Dan Herlong 704-363-8758
